Subject: UBER Should Stay in SC

Hello,

I have just heard that UBER has been given an order to seize all operations in SC by PSC. I would like to express my great disappointment with such actions. UBER is a proven and reliable company and it is operating successfully in many other states. Banning UBER from providing their excellent service in South Carolina is an unreasonable action. I was very satisfied with their service and pricing as opposed to many other Taxi companies operating in SC.

Thank you for your consideration to allow UBER to continue to service our state.

Irina

Subject: Save UBER in Charleston !!

Dear PSC,

Please allow Uber to continue to operate in Charleston. We here love different options for getting around. The taxi cab way is a way of the past and frankly may violate some anti-trust law being a monopoly as the only way to get around.

Please let Uber do their thing! Way easier than cabs.....free country and used to be competition was good. Make the cabs step up their game!

Thank you.....add me to the thousands who want to save uber in charleston

Hello,
I am writing to support Uber. PSC's order yesterday to stop operations is ridiculous.

Thanks,
Dr. Colin Jones

I protest the stoppage of Uber in South Carolina. Myrtle Beach needs an alternative transportation system.
